

Corner Roller Lamlon Quick

Flügger paint rollers for professional craftsmen. Premium, high-quality pile distributes the paint effectively, ensuring hiding power, high productivity and a perfect finish for any painting job.

Properties

Flügger Lamlon Rough is a wall and ceiling paint roller made of 14 mm pile. Excellent hiding power. The roller produces a surface with a distinct, coarse structure. For use on all types of surface.

- **Wall and ceiling**
- **Excellent hiding power**
- **Distinct structure**

Use

Painting of walls, ceilings and facades. Used for paint in gloss levels ranging from fully matt to matt. Wash the paint roller in water before use and stir the paint thoroughly before commencing work. Store the roller in airtight packaging when not in use and avoid storing in water.

Application

Use it with Quick corner roller shaft for corners around ceilings and walls.

Cleaning and Maintenance

Clean rollers using Fluren 59, Brush cleaner, Fluren 37 Basic cleaner or liquid soap.

Usefull Information

Disposal: Remove as much paint as possible from rollers before they are disposed of as small, burnable waste items.

Good practise

Remove as much paint as possible from tools before cleaning. Do not pour liquid paint residue or cleaning fluid down drains. Clean rollers thoroughly to remove any paint residue. Avoid putting a strain on the roller during drying and store it dry.

Please note!

The paint roller fits a Quick roller handle with a 2-piece handle made of 6-8 mm galvanised steel. Sturdy handle which fits Flügger extension poles.
