

Paint Roller Interior Velour Quick

Flügger paint rollers for professional craftsmen. Premium, high-quality pile distributes the paint effectively, ensuring hiding power, high productivity and a perfect finish for any painting job.

Product properties

Flügger High Finish Fine is an Interior paint roller made of 5 mm top quality pile. Medium hiding power. The roller produces a surface with a minimal, fine structure. For use on even surfaces for the best possible finish.

- Interior
- Medium hiding power
- Minimal structure

Product use

Painting and varnishing of furniture, cabinet doors, doors, panels, frames, window frames and fixtures. Recommended for varnish in all levels of gloss and paint in gloss levels from semi-matt to fully matt. Wash the paint roller in water before use and stir the paint thoroughly before commencing work. Store the roller in airtight packaging when not in use and avoid storing in water.

Cleaning and Maintenance

Clean rollers using Fluren 59, Brush cleaner, Fluren 37 Basic cleaner or liquid soap.

Useful Information

Disposal: Remove as much paint as possible from rollers before they are disposed of as small, burnable waste items.

Good practice

Remove as much paint as possible from tools before cleaning. Do not pour liquid paint residue or cleaning fluid down drains. Clean rollers thoroughly to remove any paint residue. Avoid putting a strain on the roller during drying and store it dry.

Please note!

The paint roller fits a Quick roller handle with a 2-piece handle made of 6-8 mm galvanised steel. Sturdy handle which fits Flügger extension poles.
